Workshop #013

Creative Memories - You've got the digital photos...we've got a way to help you organize them. With Creative Memories Memory Manager software you are just a few clicks away from making the most of your digital photos. Not only can you organize them, you can also edit, print share and journal them. Learn as Kathy Smith walks you through this user-friendly program - handouts will be included.

Workshop Time: Sat. Feb. 21 @ 3:00 p.m.

Cost: Class fee
